

Quiz 5 (NMR) - WA

Name:

Recitation Instructor:

You have 45 minutes to complete the quiz. Please use scrap paper for your work, and put a single answer in each of the boxes below. Your answers will be graded based upon how consistent your answer is with the NMR and molecular formula shown. For the sake of this quiz, OH groups will not participate in coupling.

1 (10 points)

2 (10 points)
